

# You asked for it, so the Top Pen is back

We have had a lot of feedback from farmers who want to compete with each other to raise the best animals, while raising funds for IHC. So PGG Wrightson Livestock has come to the party with 10 prizes of \$100 vouchers to be used at their rural supplies stores.

The prizes will be drawn in 10 regions covering all eligible sales. All farmers whose calves make the top 10 percent at each sale will receive an IHC certificate. They will also go into regional draws for one of the 10 prizes from PGG Wrightson Livestock.

You can also win a Mystery Weekend

You have two chances to win a mystery weekend for calves sold or donated before 31 January 2021. Winners will be notified.

**Draw One** – live animals sold for \$300 and over

**Draw Two** – All donations of \$300 and over, this includes virtual calves and average price donations.
